**Mantiene l'aspetto più sofisticato e artigianale della materia.
La raffinatezza dei colori si esprime nella scelta di conservare
i toni classici e naturali, ricchi di contrasti e venature,
declinandoli nel nuovo formato rettificato 20x120.
Il legno conserva la sua potenza espressiva in questa
nuova chiave contemporanea.**

*Preserves the more sophisticated, handcrafted aspects of the matter.
The elegance of the colours is reflected in choosing to keep the classic and natural tones
rich in contrasts and veining applying them to the new rectified 20x120 size.
Wood retains its expressive power in this new contemporary interpretation.*

produzione - production

industriale - industrial

spessore - thickness

9.5 mm

usi - use

interni residenziali, bagni o locali commerciali e spazi pubblici
housing environments, bathrooms or refined commercial locations
as well as public spaces.

formati - sizes
