**Da un'attenta rielaborazione grafica
delle pietre pregiate contemporanee
nasce la collezione Sky. Le linee frastagliate
descrivono campi di colore tono su tono,
dando vita ad una superficie che si fonde con le
architetture più eleganti.**

From a careful graphic reworking of contemporary precious stones stems the new Sky collection. The jagged lines describe tone-on-tone colour fields, giving life to a surface that blends with the most elegant architectures.
